

## **Position S-10**

**Job Title:** Training Center English Teacher

**School Description:**

The school was founded in 2007 and is a professional English training institution. Through the original story, songs, games, cartoons and other interactive ways we cultivate children's English interest and improve children's sense of language and listening and speaking. Let the children have a correct understanding from the beginning of learning English: English is like Chinese, used for communication and application. The school has an excellent faculty team. All foreign teachers are from English-speaking countries. All Chinese teachers and teaching assistants are undergraduate and undergraduate majors in English. The most important thing is that they all have high English language quality and richness. The teachers are extremely patient, caring and responsible for the children, and the teaching effect is always shown to many children and parents.
