

Position S-5

Job Title:

Kindergarten English Teacher

School Description:

The kindergarten is the first music-themed bilingual kindergarten in Tianjin, a famous municipality in North of China. We devote ourselves to offering kids aged 0-6 a systematic music initiative education and bilingual learning experience with high-standard and high-quality. We are honored as "Little Harvard of music" by most parents. We enroll kids aged 0-6 and accompany them with a bilingual teaching model which is the cornerstone of our education. This teaching model will help our kids get prepared for the first-class elementary schools especially when they are in their 5th year of life, during which they need an access to a full English learning environment. We are devoted to developing children ability of exploratory learning creative imagination and problem-solving spirits as well as those related habits. We believe that these abilities and habits will well prepare our students for any future challenges after their graduation.
